

O-GRILL-the truly "Portable" grill

New from Pro-Iroda, leader in gas tool technology is the first efficient lightweight portable propane grill. O-Grill is the first truly portable grill at a weight of less than 25 lbs with features that rival larger, heavier, more costly models. 225 sq inch grill area with 9000 BTU stainless steel burner and colorful Clam Shell design with retractable legs are the functional elements which set O-Grill apart.

Pro-Iroda O-Grill 3000 Features:

- Stamped sheet metal body with integral grease pan.
- Uses standard 14.1 oz and 17.4 oz Propane Gas Cylinders.
- Storage case with optional detachable light with durable PL lamp.
- Porcelain-enameled cast-iron cooking grid.
- Retractable legs.
- 9450 BTU stainless steel tubular burner with push button igniter.
- Grill area 225 square inches.
- Dimension W20-1/2"xH8-1/2"xD23" (W525xH215xD580 mm)
- Weight less than 25 lbs.
- ANS Z21.89a-2006 / CSA 1.18a-2006 test approved.

This is the Grill that will be the standard for tailgating, camping and apartment deck cooking.
